Dear Mr. Buck:

Thank you for your letter of November 11.

We are well aware that we have to file our operation plans. The busy time of the year for us is during the summer and we are planning to prepare and submit these plans during the month of December after our workload is decreased.

We have not forgotten - just delayed when our people will be available to prepare these operation plans.

Yours very truly,

Harold P. Cahoon  
President & General Manager
